NICKNAME

OPERATIONS

The 123d Tac Recon Wing was completely reorganized, effective Oct. 15, into a double-deputy structure, which reinstated the 123d Tac Recon Group with a commander, and under him, a deputy commander for each of the areas of operations and materiel. Also created were a 123d Materiel Squadron (combining the Supply and CAM Squadrons) and a 123d Combat

Support Squadron (which merged the A&E Squadron and the Transportation Squadron). At the same time the Wing Headquarters, the 165th Tac Recon Squadron and the 123d Tac Hospital were also reorganized, and the total changes reduced the KyANG strength by 185 spaces. The new group commander was Col Eugene F. Kinnaird Jr.
