EMBLEM SIGNIFICANCE

Blue and yellow are the Air Force colors. Blue alludes to the sky, the primary theater of Air Force

operations. Yellow refers to the sun and the excellence required of Air Force personnel. The silhouette of the State of West Virginia indicates the home location of the Flight. The mountaineer denotes the State motto "Mountaineers are Always Free" and suggests the pride the unit gains by defending the peace and freedom of the state and the nation. The Flight's pioneer spirit is reflected by the demi-globe and communications tower which denote the unit's communication support responsibilities within the State and around the world.
