OPERATIONS

In November 1965, the 135th Materiel Squadron was reorganized and divided into the 135th Consolidated Aircraft Maintenance Squadron and the 135th Supply Squadron. On June 8, 1966, the 135th Communications Flight was federally recognized, replacing the 135th Combat Support Squadron's communications section. The new unit was attached to the 135th ACG for support, but actually fell under the command of the Air Force Communications Service (AFCS).
