OPERATIONS

The 180th Communications Flight was federally recognized and activated on the 10th of June, 1966, and assigned to the 180th Tactical Fighter Group. The first Commander, who organized and built up the flight to its present strength was Major Richard C. Galloway.

The Flight was provided valuable assistance in maintaining the Group's communication equipment and processing the hundreds of messages that are sent and received on base each month. The Flight recently installed and maintains the TACAN station which is a valuable navigation aide to military

pilots flying into the Toledo Express Airport.
