

534th TRAINING SQUADRON

MISSION

The 534th Training Squadron conducts Enlisted Space Prerequisite Training and initial qualification training for non-rated operations satellite command and control crews assigned to AFSPC, Air Force Research Laboratory, and Air National Guard units. The unit also develops courseware and performance training scenarios for 11 Air Force Specialty Code awarding courses, and operates a \$4.6 million simulator used to train missile warning, global navigation, and communication satellite operations.
