841st AERO SQUADRON— Commanded by 2nd Lieut. John F. de Niff, arrived, here on Washington's birthday from Waco, Texas. This organization was composed entirely of men recruited from New York State, and had at one time for its commanding officer former Mayor John Purroy Mitchell, of New York City. Owing to the fact that these men were second to none in mechanical ability, the organization soon received overseas orders and departed early in March to share in the honor and glory of the big theater of war.
