#### **OPERATIONS**

The 20th Supply Squadron provides supplies, equipment, and fuel support for the 20th Tactical Fighter Wing and assigned tenant units. The squadron also supports RAF Croughton, Barford St. John, Greenham Common, Welford High Wycombe Air Station, Navy London and the Department of Defense Schools. Because of the day/night flying commitment of the F-111E.

They were a test unit for new computer programs, testing them before release to the rest of the Air Force. They operated under the standard base supply system using dual-system Univac 1050-11 system.
