

# 683th ARMAMENT SYSTEMS SQUADRON

## HUMAN RESEARCH INSTITUTE

The principal change on the Field in general were ones of organization. Specialization had been discernible on the Field for some time, but a far-reaching General Order on 1 March 1943 brought the trend to full realization. By this Order, and supplementary Special Orders, the 19th, 20th, and 21st Academic Sqdns, united as the 7th Academic Group, were activated for instructors; the 49th, 50th, and 51st Mess Sqdns, united as the 15th Mess Group, were activated for mess personnel and all guards were transferred to the 835th Guard Squadron. Headquarters detachments were set up for the personnel who worked in Group headquarters in each of Areas 1, 2, and 3—five headquarters detachments in all. The 1st Provisional Training Group was redesignated the 20th Technical Group; the 2nd Provisional Training Group became the 21st Technical School Group: and the Provisional Air Base Group in Area 1 became the 19th Technical School Group.

Scott Field, Belleville, Ill.
