OPERATIONS

On 1 November 1948 Squadron "E" of the old 4135th became the 2791st Base Medical Complement. On 5 October 1949 its designation became Headquarters and Headquarters Squadron, 2791st Medical Group. The civilian organization of the 2791st Medical Group, the Surgeon's Office, became a separate staff element, divorced from Personnel and Administration Office, effective 27 May 1949. Following the arrival of the 25th Air Depot Wing in May 1950, military personnel of the Surgeon's Office left the 2791st Medical Group and on 1 June 1950 command attached them to the 25th Medical Group of the 25th Air Depot Wing for rationing, quarters and administration.

On 1 June 1950 Ogden reassigned the military personnel of the Surgeon's Office from the Headquarters and Headquarters Squadron, 2791st Medical Group to the 25th Medical Group. The total assigned strength on 1 July 1950 was 12 officers and 58 airmen.
