**MOTTO****NICKNAME****OPERATIONS**

The 2867th Ground Electronics Engineering Installation Agency (GEEIA) Squadron was activated at McClellan in June 1960. Ten years later it was redesignated as the 1833d Electronics Installation Squadron. In 1977 the 1833d merged with the 2049th Communications Installation Group for a three year test. The 1849th Electronics Installation Squadron was activated on July 1, 1980. The squadron was responsible for electronics installation in the northwestern United States.
