## OPERATIONS

Since August 1948, the 3380th Technical Training Wing had controlled all base activities. Under it were four subordinate units: the 3380th Technical Training Group, which operated the school; the 3380th Maintenance and Supply Group; the 3380th Air Base Group; and the 3380th Medical Group. In 1955, a fifth group was added—the 3380th Installations Group. That arrangement continued until 1 January 1959, when Air Training Command redesignated the wing as Headquarters, Keesler Technical Training Center (KTTC). At the same time, the training group was redesignated the 3380th Technical School, USAF, and all of its subordinate student squadrons were renamed school squadrons.

On 31 May 1972, Air Training Command redesignated the 3380th Technical School as the USAF School of Applied Aerospace Sciences. Soon after on 13 December, the school received institutional accreditation from the Southern Association of Colleges and Schools.

1 Aug 1972 Air Training Command (ATC) inactivated the 3380th Technical School at Keesler and, on the same date, activated the USAF School of Applied Aerospace Sciences, Keesler, and assigned it to the Keesler Technical Training Center.
