On a red disc in front of a yellow sun issuing from lower left with five rays throughout a demi-eagle proper issuing from base all within a narrow blue border. Attached above the disc a yellow scroll edged blue and inscribed "FIT TO FIGHT" in blue letters. Attached below the disc a blank yellow scroll edged blue. **SIGNIFICANCE** The eagle, symbolic of the republic and the aircraft defending that republic, alludes to the mission of the unit to maintain and generate airworthy F-15 aircraft. The sunset symbolizes Arizona and Phoenix, the geographic location of the unit. Phoenix and the surrounding area are commonly referred to as "The Valley of the Sun." "FIT TO FIGHT" expresses the pride the unit personnel display daily in maintaining the most advanced air weapons systems in the world. (Approved, 18 Mar 1984)
