OPERATIONS

The arrival of more recruits resulted in the formation of several new companies during the month of March. 58th Balloon Company was organized March 30th. All of these companies were trained for overseas service except the 58th Company, which was organized as a home or training company.

Orders were also received about this time for the 58th Balloon Company to proceed to Morrison, Virginia, but owing to the fact that this organization had been formed as a home training company, it was necessary to organize it almost completely for overseas service. This was accomplished as soon as possible, and on August 15th it left for Morrison, Virginia, commanded by 2nd Lieut. H. R. Whitty.

Organized by transfer of 196 from 39th Balloon Company on 29 Mar, 1918, at Camp John Wise, TX. 2LT Cleves S. Fisher commander. Company used as a training company flying one balloon. Men trained in machine gun, telephone, balloon, electrical, and rigging schools and upon graduation from such schools were transferred into outgoing companies.

LT Cleves relieved of command and 2LT Henry R. Whitty assigned commanding officer, 1 Aug 1918, Camp Wise, TX.

Company left Camp John Wise at 1500 enroute to Aviation General Supply Depot and Concentration Camp, Morrison, VA, Arrived Morrison 19 Aug 1918. Lt Whitty relieved of command and 2Lt Harry W. Shackelford transferred to company and assumed command on account of seniority.

LT Shackelford sick in hospital and transferred to 19th Balloon Company. 1LT Julius G. Turcott assigned as commanding officer.

Left Morrison enroute to Port of Embarkation, Newport News, VA on 4 Oct 1918. Embarked on "Lutetia" enroute for AEF. Returned on account of outbreak of epidemic of influenza in company.
