## **OPERATIONS**

The squadron remained a fully-functional clinic, providing 8,000 beneficiaries with services such as primary care, laboratory, radiology, pharmacy, life skills, health and wellness center and dental care.

The Diagnostic and Therapeutic Element provided care to over 8,000 eligible beneficiaries with prescription, laboratory, and radiology services. Joining the San Antonio Refill service provided by the 59<sup>th</sup> MDTS (Pharmacy), Brooks Clinic patients gained access to the full spectrum of the combined WHMC/BAMC formulary.

59th MDS Lab and Radiology personnel contributed more than 150 hours of support to over 450 ROTC cadets as a part of the ROTC Class I flying physical program provided by the 311th Human Systems Wing on Brooks City-Base.
