OPERATIONS

Headquarters USAFE activated the 7217th at Ankara Air Station, Turkey, on 15 November. The

new organization assumed responsibility for base and logistical support for central and northwest Turkey, thus freeing Headquarters TUSLOG to concentrate on its responsibilities to USAFE units country-wide. 1982

Air base group was activated in 1982. It is located about five km from the center of town at Ankara Air Station. In addition to operating the air station, where it hosts HQ TUSLOG, the 7217 ABG manages the logistical support for more than 40 units and agencies in its region of responsibility. In Ankara, outside the air station, the ABG supports in particular the American Embassy, US Defense Attache Office, and JUSMMAT. It is commanded by a Lieutenant Colonel.
