

# **98<sup>th</sup> NORTHERN RANGES SUPPORT SQUADRON**

## **MISSION**

The 98th NRSS provides management oversight for Tonopah Test and Training Range airfield, Tolicha Peak and NTTR Northern Ranges and coordinates contractor support for tenant organizations. It also provides support to deployed forces, operates the airfield in support of deployed forces and as an emergency divert base for fighter, bomber and transport aircraft flying on the NTTR, authorizes airfield access, oversees NTTR Northern Range operational activities (1.8 million acres) and controls range access and provides initial response on-scene command for security, fire protection, environmental incidents and medical responses. The Tonopah Test Range Airfield-Northern Ranges mission is to provide domestic support for internal and external range customers, provide a capability for emergency divert landing and serve as a forward-support location for various Nellis training, testing and tactics development activities
