#### **Armed Forces Expeditionary Streamers**

#### **Decorations**

### **EMBLEM**

### **MOTTO**

### **NICKNAME**

### **OPERATIONS**

In the continued support of the war on terrorism, almost 200 personnel and associated equipment were deployed to Incirlik, Turkey for six weeks; a month after deployment the unit was redeployed to the Azores and the East coast in support of Operation Iraqi Freedom. While stationed at these locations, the wing flew hundreds of missions and offloaded thousands of pounds of fuel to the aircraft on their way to and from the Iraqi battlefield.
